

STANDARD CONTRACTS IN THE CONSTRUCTION INDUSTRY

GUIDELINES, BEST PRACTICES AND GLOBAL PERSPECTIVES

Sat, 29th Nov 2025

06:00 - 12:00 EST/EDT
12:00 - 18:00 CET
16:00 - 22:00 PKT

ABOUT THE WEBINAR

PTTS brings together industry professionals and experts for a thought-provoking hybrid session exploring modern contract management, risk allocation, and best practices across the global construction industry.

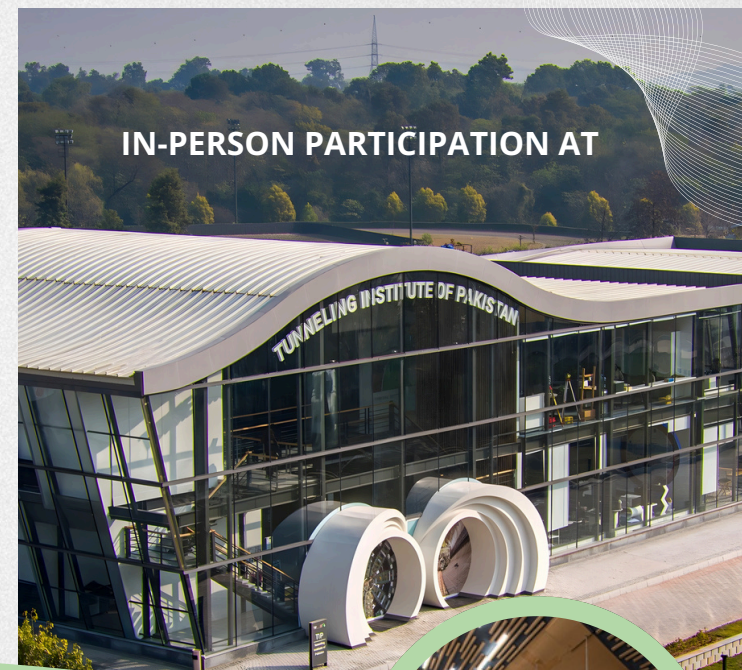

KEY HIGHLIGHTS

- ▶ Managing FIDIC and NEC contracts in major international infrastructure projects: Approach for preparation of effective contract documents, Risk allocation, claims management, and FIDIC-based contract practices.
- ▶ Legal frameworks, arbitration, & dispute resolution in construction contracts.
- ▶ The role and importance of GBR in underground space use projects.

SPEAKERS

Andrea Dalceggio

Commercial Director,
Webuild S.p.A., Canada

An Italian engineer and contract manager with over 24 years of international experience in infrastructure and energy projects under FIDIC Conditions of Contract. He holds multiple degrees, including an MSc in Electrical Engineering, an LL.M. in Construction Law and Arbitration, and an LL.B. in Law. A FIDIC Certified Adjudicator (President's List) and DRBF member, he has led major design-build projects in Europe, Latin America, and North America. Currently serving as Commercial Director for Webuild S.p.A. in Canada, focusing on progressive design-build and target price models.

Matthias Neuenschwander

CEO, Neuenschwander Consulting
Engineers, Switzerland

Matthias Neuenschwander is a Swiss civil engineer and contracts specialist with over 30 years of international experience in infrastructure and tunnelling projects. Co-author of the FIDIC Emerald Book, he is an expert Adjudicator and member of the DRBF. He is the ex-chairman of joint FIDIC-ITA Task group 10 and ex-animateur of ITA WG-3. He has served as adjudicator, claims expert, and trainer for major design-build and EPC projects across Europe, Asia, and the Middle East, promoting fair and balanced contractual practices worldwide.

Augusto Gutiérrez

Country Director, Gleeds
Peru

Augusto is Director of Gleeds in Peru. A Civil Engineer, MBA, MDI. NECReg certified by the ICE. He has experience in PMOs, FIDIC contracts, and is a member of the DRBF. With over 30 years of professional experience, he has been directly managing standard contracts for more than 7 years. He worked for the Lima 2019 Pan American Games as the infrastructure leader and PM for one of the first 5 NEC projects in Peru. In 2020, he was in charge of the infrastructure for the Peruvian pavilion at Expo 2020 in Dubai. Since 2021, he has been advising on G2G agreements between the UK and Peru for the ANIN, Bicentennial Schools, and now for a package of large hospitals.

Marisol Tamara Ellis A.

Partner, Icaza, González-Ruiz &
Alemán (IGRA), Panama

Marisol Tamara Ellis is a Panamanian attorney specializing in commercial and construction law, arbitration, and dispute resolution. She holds master's degrees in Commercial and Business Law, a diploma in Construction Law, and specialized training in FIDIC contracts and negotiation. A Partner and Co-Head of Litigation and ADR at IGRA, she represents Panama at the ICC International Court of Arbitration (2021-2027). She is also listed as an arbitrator at CeCAP and CESCON, and serves as a member of the DRBF and the Superior Council of the Arbitration and Dispute Boards Center AZ of Peru.

Katherine Quiroz

Contract Manager FIDIC, NECReg &
Legal Consultant, Peru

A Peruvian lawyer and contract manager with over 13 years of experience in managing infrastructure contracts and dispute resolution. She holds a Law Degree and a Master's in Advanced Public Management. Her work spans major projects under FIDIC and NEC contracts across Latin America, representing clients, contractors, and engineers. She has managed key projects including the Peru Pavilion at Expo 2020 Dubai, River Defences in Northern Peru, and Chinchero International Airport. Katherine is a member of the DRBF and an associate member of Women in Construction.
